

PSO PROFIT SHARING

Over 10,000 **Team Parties** are planned each year in Manitoba. Teams are spending on average \$250+ per party depending on the size of the team. We want to help the PSO earn a portion of this \$2,500,000 revenue stream.

How It Works?

- Step 1** Each PSO is given a custom #Promocode to market to their sports teams
- Step 2** Teams book online with #Promocode to activate the Free Pizza offer
- Step 3** 10% of each Team Party booking will go back to the PSO

Why Teams will want to Book at the Beach?

- Exciting tropical atmosphere
- Safe and fun for kids and parents
- A variety of sand sports and activities for all ages
- Affordable packages, custom options and easy online booking
- Onsite bar and kitchen
- Daytime, nighttime, weekday or weekend availability
